

Ladies and Gentlemen of the Judiciary Committee,

My name is Brendan Malone, and I am writing today in hope that you will join me in opposition of H.B.6355 An Act Concerning Risk Protection Orders Or Warrants.

Extreme risk protection orders should be issued only after thorough, unbiased investigation by law enforcement. This bill would remove that requirement, possibly resulting in denial of due process rights and unlawful seizure of private property.

Thank you.

Brendan Malone

Suffield, Ct.
